

New Member Requirements and Procedures for joining the Galt Handgun Section

To become a member of the Galt Handgun Section you must be a member of the Sportsmens Club, Galt, possess a valid Restricted Firearms License, and be sponsored by an existing member of the Handgun Section. Club Membership Applications are available Wednesday evenings from 6:00pm to 8:00pm and Sunday 10:00am to 2:00pm at the main clubhouse.

To apply to be placed on the Handgun Section waiting list you must complete the Handgun Section application available on the Galt web page or at the main clubhouse during the times shown above. Applications must be submitted to the club's membership coordinator who is at the main clubhouse during the aforementioned times.

The Handgun Section will be accepting **5 new members per month**. There may be a waiting list to which applicants' names will be added. The membership coordinator will know the current number of applicants on the waiting list. Applicants will be contacted by a section representative once they are scheduled for the Club Safety Course.

ALL new members must successfully complete the section's Club Safety Course followed by a 3 month probation period. The Club Safety Course will be held on the 3rd Friday of every month and the following Saturday. Applicants must attend the course they are scheduled for. Applicants that are unable to attend or fail their scheduled course will be rescheduled for the next available course.

Applicants cannot participate in the probation period until they have passed the Club Safety Course. The 3 month probation requirements will include a completion of a shooting session signature sheet and a proficiency target.

During the 3 month probation period you MUST attend regular shooting signature sessions on Monday, Tuesday and Wednesday evenings. Probationary applicants will be required to attend 3 sessions for each night, which will result in a total of 9 signatures plus the Metal Silhouette signature. **Only one signature will be given per night.**

To complete the proficiency target applicants must be able to hit an 18"x18" paper target with 20 consecutive shots. Target proficiency can be done at any regular **Monday or Wednesday** evening session during your probation period. **One attempt per evening is allowed.**

If applicants do not complete the probation requirements in the 3 month period they could be required to redo any or all portions of the new Handgun Section member program.

After successfully completing the probation requirements applicants MUST attend the monthly Handgun Section meeting. The meeting is held on the first Wednesday of every month at 7:00pm in the Handgun clubhouse. During the meeting the applicants documents and probation results will be presented to the members in attendance for approval and acceptance into the Handgun Section.
