As a new member you must successfully complete the section's Club Safety Course followed by probationary shooting requirements before you are able to use the handgun range as a full member.

The Club Safety Course is held on the 3rd Saturday of each month. Please note that only 5 new members are scheduled per month – you will be contacted by a section representative advising you of the date of your safety course. Once you have passed the Club Safety Course you are able to begin your probationary shooting requirements.

Probationary shooting requirements consist of 9 supervised shooting sessions plus a proficiency target. The supervised shooting sessions take place on Monday, Tuesday, and Wednesday evenings. Applicants unable to complete their probationary requirements within 3 months may be required to re-take the Club Safety Course.

Once your probationary requirements are completed you must then attend a monthly Handgun Section Meeting during which time your documents and probation results will be presented to the members in attendance for approval and acceptance into the Handgun Section.

Thank you for your interest in joining the Handgun Section at the Sportsmens Club, Galt.
